

We can help with the details of your move.

TLC will...

- organize, sort and downsize
- interview, schedule and oversee movers
- pack, store and ship
- unpack and set up your new home
- arrange for home sale and disposal of unwanted items
- be there for those seniors whose children can't be there
- see to senior special needs and travel companions
- oversee current home's paint and repairs

"Thanks so much for your help. We could never have done this without your expertise. You just came in, swept your wings around and everything was taken care of. Yes you're an angel!"
